

On September 29, 30, and October 1 some of Northeast Iowa's best-known artisans will open their studios for the 26th annual Studio Tour! Nestled among the wooded hills and winding rivers are numerous award-winning fine artists. Decorah is the hub, the central community from

which the tour radiates, up to 40 miles in all directions, in Iowa. Go for a scenic drive and experience a unique, behind-the-scenes view into how their work is created.

Many of these studios are open to the public exclusively for this event, allowing you to purchase art directly from the artist. View new works, fresh off the designer's workbench, and visit with the artists themselves. Many participate in national-caliber fine art festivals throughout the United States.

Join us for this once-a-year happening. Visit one-room schoolhouses, historic buildings and other creative work-spaces. See why some of Northeast Iowa's best-known artists are so inspired by these beautiful surroundings.
