- State highways 9 and 52 intersect in Decora.

On October 9, 10, and 11 some of Northeast Iowa's best-known artisans will open their studios for the 29th annual Studio Tour! Nestled among the wooded hills and winding rivers are numerous award-winning fine artists. Decora is the hub, the central community from which the tour radiates, up to 40 miles in all directions, in Iowa. Go for a scenic drive and experience a unique, behind-the-scenes view into how their work is created.

Many of these studios are open to the public exclusively for this annual event. New in 2026 is the addition of three Emerging Artists and one Guest Artist. View and purchase new works, fresh off the designer's workbench, direct from the artists. Many participate in national caliber fine art festivals throughout the United States.

Join us for this once-a-year happening. Visit one-room schoolhouses, historic buildings and other creative workspaces. See why some of Northeast Iowa's best-known artists are so inspired by these beautiful surroundings.
